

Kueshi

Kueshi is a range of cosmetics inspired by and crafted with fruit and other plant extracts with proven efficacy for the skin, as these have been used for hundreds of years for their high antioxidant content and variety of properties.

Inspired by young, cosmopolitan women, KUESHI develops highly effective cosmetic formulas with innovative textures, fresh aromas and a high content of active ingredients.

Kueshi es una gama de cosmética inspirada y elaborada con extractos de frutas y otros vegetales con eficacia probada para la piel, pues estos se emplean desde hace cientos de años por su alto contenido en activos antioxidantes y por su variedad de propiedades.

Inspirada en mujeres jóvenes y cosmopolitas, KUESHI desarrolla fórmulas cosméticas altamente eficaces con texturas innovadoras, aromas frescos y gran contenido de ingredientes activos.
